

OPENING DOORS FOR SMALL BUSINESS IN THE COMMUNITY

Providing Loans Up To \$5,000
To Small And Emerging
Business in Southwest
Scarborough

Access Community Capital Fund helps individuals without collateral or credit history obtain an affordable loan to improve their standard of living through entrepreneurship. Access is a Canadian registered charity granting micro-loans up to \$5,000 where the abilities skills and commitment of the applicant in conjunction with the strength of the business plan are key decision criteria.

Warden Woods Community Centre exists to build caring, compassionate, just and interdependent communities in southwest Scarborough. We achieve this by linking the communities to internal and external resources to help meet the needs of the whole person, sharing skills within the community in order to identify and develop resources, and enabling the community to make and implement informed choices about its needs.
